### EDUCATION

2024 - present Weizmann Institute of Science (WIS)

2020 - 2024 Michigan State University (MSU)

(GPA: 4.0/4.0)

B.S. in Physics, College of Natural Science, Honors College

B.S. in Mathematics, Advanced, College of Natural Science, Honors College

Minor in Music (vocalist), College of Music

### Research Experience

## Research Assistant, Facility for Rare Isotope Beams, MSU

Nov 2022 - Jul 2024

- Developed and implemented a finite-temperature formalism for the IMSRG many-body solver.
- Analyzed data from the finite-temperature IMSRG using an exactly-solvable schematic model.
- Studied the effect of temperature on the stability of calcium isotopes.

### Research Assistant, TARDIS Collaboration, MSU

Sep 2020 - Aug 2023

- Wrote an extensive physics walkthrough for the TARDIS radiative transfer code.
- Participated in MSU's Engineering Summer Undergraduate Research Experience program.
- Developed the STARDIS stellar radiative transfer code, a companion code to TARDIS.

# TEACHING AND MENTORING

#### Learning Assistant for Calculus II, MSU

Jan 2024 - Apr 2024

- Taught weekly recetations for two Calculus II classes.
- Tutored calculus students in MSU's Math Learning Center.
- Graded guizzes and exams.

### Mentor, TARDIS Collaboration, MSU

May 2021 - Aug 2023

- Mentored seven students in contributing to the TARDIS collaboration through the TARDIS high school program, professorial assistantships, or Google's Summer of Code.
- Led weekly meetings discussing physics concepts that are used in the TARDIS code.

**Tutor** Sep 2018 - June 2024

- Tutored over 20 students in subjects including physics, calculus, and biology.

## Presentations

family=Smith, familyi=S., given=Isaac G., giveni=I. G.7 7

ii,3 35 5 (April 14, 2023). "A New Approach to Synthetic Stellar Spectra: The STARDIS Radiative Transfer Code". In: *University Undergraduate Research and Arts Forum*. East Lansing, MI.

family=Smith, familyi=S., given=Isaac G., giveni=I. G.7 7

ii,3 35 5 (July 28, 2021). "Interactive and User-Friendly Methods for Documenting Code". In: *Mid-Michigan Symposium for Undergraduate Research*. East Lansing, MI.

family=Smith, familyi=S., given=Isaac G., giveni=I. G.7 7

ii,3 35 5 (July 26, 2023). "Studying Nuclei at Finite Temperature with the In-Medium Similarity Renormalization Group". In: *Mid-Michigan Symposium for Undergraduate Research*. East Lansing, MI.

# Major Projects and Unpublished Work

### The Geometric Formulation of Classical Physics

My undergraduate thesis in mathematics, which details the relationship between symplectic geometry and classical mechanics, as well as the relationship between measure theory, contact geometry, statistical mechanics, and thermodynamics.

#### STARDIS Radiative Transfer Code

Link to Repository

I made major contributions to the early development of the STARDIS radiative transfer code.

#### **TARDIS** Documentation

Link to Documentation

I designed comprehensive, interactive documentation for the TARDIS radiative transfer code, and was the main author for the physics walthrough.

# Honors and Awards

| 2024       | Carl L. Foiles Award, MSU (top graduating physics student)      |
|------------|---|
| 2024       | Board of Trustees Award, MSU (4.0 GPA)                          |
| 2024       | MSU Integration Bee Third Place                                 |
| 2023       | Jeffrey R. Cole Honors College Research Fund, MSU               |
| 2021, 2023 | Lawrence W. Hantel Fellowship, MSU (physics research award)     |
| 2023       | Nominee, Rhodes Scholarship, MSU                                |
| 2023       | Nominee, Marshall Scholarship, MSU                              |
| 2022       | L.C. Plant Mathematics Award, MSU                               |
| 2021, 2022 | NumFOCUS Small Development Grant                                |
| 2020       | Alumni Distinguished Scholar, MSU (MSU's top merit scholarship) |
| 2020       | National Merit Scholar  |
| 2020-2024  | Dean's List, MSU (all semesters)                                |
|            |   |

# SKILLS

Proficient in Python, C, C++, Git, and Linux Intermediate level in Hebrew

Last updated: July 19, 2024
